

## Welcome to Data 59

Hello

Our latest newsletter focuses on our long-term relationship with The Grove, the five-star hotel, with four restaurants, spa facilities and a championship golf course, set in the heart of rural Hertfordshire, 18 miles north of London.

Our latest appointment included fitting out of the extension to the The Stables Bar and creating the new Halfway House, which serves refreshments to golfers as they progress around the 18-hole course.

We were also appointed to re-fit the men's and women's locker rooms, which involved all new wall panelling, a large free-standing mirror and new washbasins.

Datum has been working with The Grove for over ten years and this latest project builds on a range of projects that we previously delivered, including major projects in the Glasshouse, their award-winning restaurant, the Cedar Suite and Amber Suite conferences areas.

In our next newsletter we will bring you details of various recent appointments, including... and project completions, including....

As always, I would be delighted to discuss your forthcoming projects, whether you're looking for shopfitters, bespoke joinery or metalwork.

Kind regards

David Round  
Director
