

## Welcome to Data 60

Hello

As 2023 draws to a close we reflect on a busy year and would like to thank all our clients, along with their designers, architects and consultant teams, for their on-going support.

In the last year we completed a new out-of-town store at Cyfarthfa Park in Merthyr Tydfil for our long-standing client, Clogau Gold, as well as a new Clogau boutique store at Cribbs Causeway Shopping Centre in Bristol.

In the hospitality sector we completed our latest project at The Grove, Watford, where we are proud to have worked for some 10 years, this time on the extension to The Stables Bar, golf centre Halfway House and locker rooms.

Further projects in this sector have seen us complete a new hospitality box at Lords and a hospitality lounge at The Oval cricket grounds, working with London designers Sella Concept, as well as refurbishing the bar and panelling in the Macmillan Bar at the prestigious Carlton Club, and working at The NED in London.

These projects, along with some of our other recent work, are featured in a new video showcase (follow the links, below), which hopefully demonstrates why Datum is recognised as one of the UK's market leaders for high quality interiors in the hotel and hospitality sector.

We look forward to 2024 with several exciting projects happening in the first quarter, which we will be delighted to report on in the New Year.

Finally, on behalf of everyone at Datum we would like to wish you and all your families a wonderful Christmas and a Happy New Year.

Kind regards

David Round  
Director
